Museum Naming Opportunities

The Friends of the Greenbelt Museum, Inc. is now accepting offers from prospective major donors who wish to give significant contributions to fund exhibit design and construction in the new Greenbelt Museum Visitor and Education Center, and have their names affixed to one of the Museum’s newly expanded spaces.

Not often do benefactors get such meaningful opportunities to see their names in an inspiring community building and, by doing so, achieve public recognition of their generosity and community spirit.

Your gift will be celebrated at the Greenbelt Museum’s Visitor and Education Center formal grand opening and naming ceremony.
